Sergeant, Ky., Feb. 23.-The news has just reached here to the effect that three men have been shot to death and a fourth mortally wounded in a fight between the Smith-Cox factions near Osborn's Gap. Dickinson county, Virginia, Wednesday afternoon last.

The men involved in the difficulty had long been regarded as terrors in the neighborhood and for years the families have been deadly enemies. According to the best information obtainable, Bob and Sam Smith had been at the Gap and were on their way home when they met Ben and Lem Cox on road about two miles from town. Ghostly Mascot of a Negro Who Was Fond of Crap Games.

Haisey, Ky., Feb. El.—The statement of a negro who died here yesterday has created quite a sensation in this little place. The negro was seen by the Louisville Evening Post's reporter just before he passed away and he confessed ed to having committed five murders. Two of them were in Alabama, two in Pennessee and one in Georgia. He said that three of his victims were white women. He also said that one man had been tried, convicted and hanged for one of his flendish acts. The man was not guilty and convicted on purely circumstantial evidence. He would not tell the exact towns or localities where he had committed his crimes. The black kept about him and claims that it has been his luck piece for five years in

### GOLDEN-MEDICAL DISCOVERY

Many years ago Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Sargical Institute, Buffalo, N. V., compounded this medicine of vegetable ingredicuts which had an especial effect upon the stomach and liver, rousing the organs to healthful activity as well as harding and nealthful activity as well as purifying and enriching the blood. By such means the stomach and the nerves are supplied with pure blood, they will not do duty without it any more than a locomotive can run witht coal. You can not get a lasting cure of spepsia, or Indigestion, by taking arti-ially digested foods or pepsin—the stom-n must do its own work in its own way. Do not put your nerves to sleep with so-ralled celery mixtures, it is better to go to the seat of the difficulty and feed the nerve on the food they require. Add an Extra Month's Pay to House Passed Over--Grosvenor Draws the Deadly Parallel Retween a Sherman and a Carlisle Bond Issue to the Delight of Republicans-Bailey's Amendment to Pay Indian Depredation Claims.

Washington, Feb. 23.-The feature of day's proceedings in the house was the fight on the proposition to pay an extra monthly salary to all the employes of the house and senate. The proposi This is their peculiar industry. Their lives have been devoted to it. By it they are supported. They excel in this branch as do the monks of the Order of ment to include an extra month's branch as do the monks of the Order of Benedictine with their famous liqueur. Now, this life long study on the part of the Shakers has not been in vain. They have accomplished much good. Their medical extracts and cordials are known throughout the world.

The Shakers Digestive Cordial is probably the most successful article ever given to the public. It is not a cure for all diseases; it don't pretend to be, but one disease it will cure, and that is indigestion. It is not pretended that it will cure anything else, and a sufferer has not long to wait to see the result.

Almost the first dose will give relief, and, if continued, a permanent cure will ed they would exceed those of the Fif-

Mr. Bailey (Dem. Tex.) offered an amendment to appropriate \$200,000 for the payment of certain Indian depredations claims allowed by the court of

John A. Banning \$9,609, James B. Gayton \$1,000, John L. Burns \$2,300, Henderson C. Leach \$1,200, David T. Chaney \$6,000, Nicholas Dowling \$1,000, W. T. Holt \$1,275. Franz Hunning \$2,950, Juliants A. Deserna \$2,825. James H. Farmer \$51,000, Alorn Clerghton \$1,000, Riley Y. Cross \$10,665, John Bailey \$15,180, Isaac Bailey \$3,630, W. M. Midkiff \$4,600, Henry C. Carpenter \$1,350, Samuel D. Evans \$9,120, James Wilcox \$3,825, James T. Whitmore \$22,260.

The reading of the bill was completed but several amendments passed over were not acted upon when the committee rose and the remainder of the after-
